GOODBYE 70's

HELLO CRAZY 80's

Believe it or not, the 80's are here! This year, we at Grant High School are looking forward to the new decade with a feeling of CRAZINESS. The yearbook staff put together this book to show the crazy side of our school. We're asking each of you to join us and go "crazy in the 80's!"

Put on a happy face! That's exactly what these students of GHS did on clown day during Homecoming Week. These were just a few of the clowns seen roaming the halls that day.

Students Work for the Future.

Vocational Co-operative Education (Co-op) is one of the opportunities available to Seniors interested in getting experience in the "working world." This year, there are 30 students out on Co-op. These students get graded, because they work during school time, but they also get paid. One of the requirements is that they must have classes related to the job on which they are working.

Rex Butler works at Ron Butler Motor Sales where he does minor car repairs. He also handles preparations, lube and oil jobs, and does some office work.

Sheila King helps a student at the Primary Center. Her co-op assignment is a teacher's aid, where she helps the kids with their work. Sheila hopes to be a teacher for nursery school.

David VanAsselt works on a snowmobile at Newaygo Sports Center. He works there in the afternoon repairing snowmobiles and motorcycles.

Rex Balcom works at Grant Motor Supply where he is an over-the-counter clerk.

Homecoming '79, held Oct. 19, was one of Grant High school's most important events.

Although the football team lost the game to Kent City 37-6, school spirit was not lost.

Rain hampered the usual daytime parade, but a mini-parade was held before the game, circling the track.

Steve Bisson and Nancy George were crowned 1979 Homecoming King and Queen.

It's a cold ride for seniors Jeff VanderWoude and Barb Ream senior candidates.

Freshmen candidates were Larry Wright and Sheril Higgins.

Julian Santellan senior candidate is proud to be in the court.

Tammy Robinson senior candidate shivers to the excitement of Homecoming.

Looking good together, Dave Bronkema and Joanne Herweyer sophomore candidates get a taste of the action.

Craziness Is Getting

As you can see by the look on Senior Steve Brock's face, he

knows it's the best time to be wild and CRAZY!

Mrs. Thompson and Mrs. Koron shows us that the faculty of GHS were crazy to begin with.

Hail Hail the gangs all here! Julian Santellan, Ted Goosen, Karen Herweyer, Tom Gerencer, and Ernie Tuttle spend their time clowning around.

HOMECOMING WEEK: Fun For All

The week before homecoming held many surprises. On Green Monday was 50's day, Tuesday Crown and Camera Day, Wednesday Dress-up Day, Thursday Backwards and Hat Day, and Friday was Orange and Black Day, along with an assembly on race car speed.

Our photographer captured these crazy shots for your enjoyment.

Voc. Center Builds Experience!

Experience! That is what the Newaygo County Area Vocational Center, located just east of Fremont, is providing for high school juniors and seniors. Approximately 770 students from surrounding schools attend the Vocational Center with about 120 of those coming from Grant.

The Vocational Center offers many courses from Automotives & Electronics to Data Processing & Distributive Education. The best thing is that instead of students just reading or being told how to do something they actually do it.

Mike Redding works diligently on mounting a tire in Automotive class.

At the Vocational Center students get first hand experience by working with their hands. Here Lyle "Monk" Vincent uses his experience to adjust the height of a tractor.

Pete Leiters and Alan Middleton re-pack the wheel bearings in a brake drum.

Dawna Evans uses her learned knowledge to test a patients blood pressure while Peggy Hubbard eagerly awaits the results. Blood pressure testing is just one of the many valuable services the students learn in Health Occupations class.

Alicia Griffin shows us how to stash away the money in Distributive Education class.

No that's not a real person, Rhonda Brandt is just setting up her manikin to promote sales in Distributive Education.

New Faces Add A Change Of Pace At Grant High School

Students of Grant High School are fortunate to have an exchange student from Sydney, Australia. Her name is Gabrielle. Gabrielle is a beautiful, friendly, and outgoing young woman. She has spent her 16 years of life in Australia. She arrived in the United States August 22, 1992 and will return back home sometime in June.

Gabrielle has finished her high school. She is now Gabrielle. She has about Grant. Her hobbies are teenage magazines and junk food. Her favorite class at GHS is speech. Gabrielle is involved in many clubs such as St. John's, Varsity, Chess, and as well as tennis and volleyball. Students at Grant have benefited from Gabrielle's Australian culture.

Once upon a time there were one-hundred nineteen excited, and somewhat frightened children gathered all together in one place for the year 1967. Now, thirteen years later, only fifty of those children are a part of this year's 136 graduating seniors.

We came a long way since 1967 and have had many good times to share. The highlight of the first three grades was probably the annual trip to Lake Ball Park. Then came 4th grade and the memorable Club Band Tournament. In 5th grade we all remember our talent show and some of us remember our first band concert.

Then came Junior High and the start of a new way of switching classes and teachers. Junior High also had its bad points. During our 7th Grade year, the interscholastic sports program was cut and our basketball team had to be intramural. Then came 8th grade and the hard work and embarrassing moments of the Vari-

ety Show.

High School started off on the wrong foot for the class of '80 due to the weather delays that kept us all from our sports. This just helped us realize how much we wanted to become sophomores.

In our sophomore year we were all excited about ordering our class rings and not being the little kids of the school anymore. The first year seemed to grow faster and friendships seemed to grow deeper.

Then came our Junior year when our treasury was at a bare minimum, but through a lot of hard work and determination, we managed to sponsor a successful prom.

Senior year is the year we all remember best. Struggling through Government and Psychology with Mr. Malone's unique teaching, the lack of snow in the winter, and the feeling of being important were all main high-

lights. Working on the float at Willbrandt's house and the rain which cancelled the parade are the main things we remember about Homecoming. I'm sure all senior athletes remember their last football or basketball game and the empty feelings they felt while they watch the final seconds tick away. We were also able to experience the fun and excitement of a senior trip. It wasn't an easy trip to finish but through all the money making projects we were able to make our goal. It seems as though our senior year has been only a few months long, but as seniors, we realize there are many new and different experiences for us to look forward to. And now as we all look back on our days through Grant High School, I'm sure all of us can say Graduation has been worth it!!!

ACTIVITIES

An Active Student Council

More student involvement? That's what the Student Council is striving for. They're working to get all types of students, from the shiest to the most outgoing, to participate in things like pep assemblies and dances.

This year the Student Council has been one of the active organizations in the school. They developed committees to take care of school spirit dances, decorations, student activities, the student handbook and constitution, and elections. The Super Spirit Team was developed by the Student Council to take the place of the pep club. The SST formed a kazoo band to fire up spirits.

The Student Council also ordered an activity board to be placed in front of the high school in memory of Chelley Kruitoff.

As the Junior Class dives through an inner tube at the Homecoming assembly, Student Council members Randy Jordan, Rick Jordan, and Tom Winn assist. The contest was sponsored by the Student Council.

FNC-HCC Takes On New Advisors

The FNC-HCC had a slow start this year due to the retirement of Mrs. Neola Felkey, former advisor. Their search for a new advisor ended with Mrs. Dena Koron, counselor, and Mrs. Chris Decker, librarian, who decided to be co-advisors of the club.

In addition to making the traditional holiday gifts for hospital patients, they also plan to take field trips and do some research in the different health career areas.

The 1980 FNC-HCC members are: Amy Saur, treasurer; Robin Hudson, secretary; Monica Arends, vice-president; Barb Ream, project chairman; Teresa Denton, president; and Tammy Robinson, student council representative.

Mrs. Chris Decker and Mrs. Dena Koron assist club members in planning field trips and projects.

Art Club Paints The Way To Success

The Art Club has to be one of the most talented clubs in the school.

This year's club has done many different jobs around the school and community. The club is in charge of the painting of school windows during holidays and also holiday scenes in store windows around town. To make money, the club paints pictures, signs and any other related projects. At the end of the year, Art Club takes all the money they made and go on a trip. Last year's club went to the Chicago Art Museum and Institute.

Not pictured Heidi Nelson, Roger Finkbeiner, Patty Eaton.

Balancing the books and folding programs were just a couple of the jobs Deb Ransom and Matt Keniston did to prepare the Science Club for the Donkey Basketball Game.

"Tiger treat stand" and "Donkey Basketball" were a few words heard over and over by this year's Science Club.

This year's Science Club's biggest money making project was the Donkey Basketball game. The members of the club invited a few local radio disk jockeys to play, which resulted in a sell-out crowd. After all the dust had cleared and the bills were paid, the club had made a profit of well over \$1,000.

The main purpose of the Science Club is to promote science in school and in society. Mr. Decker states that the reason for the great success of this year's club is the hard work put out by all the club members.

During a half time at the donkey basketball game, some of the girls from the stands came out to play a game. The game started with 7 girls and six donkeys. The girls were to walk around the donkeys until they heard a whistle and then get on donkey. Whoever ended up without a donkey lost. At the end of the game there would be one donkey and one girl. The game was called "musical donkeys" and the winner was Sally Swinehart who defeated Kyla Hooker in the final round. As the winner, Sally received \$10.

Deb Ransom tried to reason with an unreasonable donkey. The Science Club team, the Taitwisters, beat the high school teachers in the final game.

To most students at Grant Summer Science is classified as a club, but really it is a class for which the students get a full year's credit

To be on the summer science team there are many different tests that decide if you qualify. First, you have to write a "student statement" on why you want to go, why you think you should go, and what you expect to learn from the program. Then you have to fill out an application, get two recommendations from faculty members, and two from public members.

When all the applications, recommendations, and student statements are in, a team of faculty members selects the students who make up the team.

After that comes the work. The team members put in many hours of work a week starting in January up until they leave in June. Last year's Summer Science team spent a week studying various areas in the Manistee National Forest. These areas included such places as lakes, bogs, and prairies. The students on the team are given the opportunity to observe many of the organisms found in an environment.

Marching Band Performs Under New Director

This year the 50 member band sold candles to raise money for new uniforms. They bought special band jackets with their own money.

They went to CMU Band Day, some students went to solo ensemble and they had concerts at the school.

Spanish Club Grows With New Members

The Spanish Club provides it's twenty nine members with a place and a time to use their Spanish. For the rest of the student body, the club provides taco sales. The club also attends a Foreign Language Day at Central Michigan University and competes in Spanish plays, dances and preparation of food. The 1979-80 Spanish Club is the largest ever which means more student involvement and definitely more interest in the club and in the Spanish language.

"Tiger Beat" Gets The News First

After a 5-day crash course in newspaper layout, the Tiger Beat staff put together the first issue of the paper. It has steadily improved through each issue, and the finished products are something to be proud of.

Working two weeks on an issue and one week in the book, the Tiger Beat staff produced eleven issues, one which the Journalism I students had a part in. The staff also printed some stories for the Fremont Indicator.

Lack of Snow Hinders Ski Club

Lack of snow inhibited the activities of the Ski Club this winter. A couple of their Thursday Cannonsburg outings had to be cancelled due to poor ski conditions. A planned trip to Caberfae for Dec. 26 also had to be cancelled.

However, they did manage to get in a number of Thursday trips to Cannonsburg and took a trip to Timberlee over the winter break day. One other memorable experience for them was a time the bus broke down at Cannonsburg and the members had to pile into the back of a pick up truck for the long, chilly ride back to Grant.

Crazy 80's Planned by Staff

For a group of students that walked into class the first day thinking that a dingbat was one of their friends, a bleed was something that happened when they cut themselves, and tooling was cruising down the highway, they managed to learn the true meanings and put together a great yearbook.

For the first time in a long time, the yearbook staff decided to include some color in the yearbook. They also decided to make this year's yearbook the biggest ever by adding 16 more pages.

The staff started off their year together by 'decorating' Ms. Rupp's yard. They also attended a yearbook seminar in Grand Rapids where they learned how to put a yearbook together and also got some good ideas from students from other schools. The yearbook staff put in a lot of hardwork and long hours and did their best to put out the best yearbook possible.

Pondering over faculty section pictures, Greg Vankoeving and Alice Bull decide what pictures are still needed to complete their layouts. Alice also worked as the staff artist.

Shan Henry, editor, works to develop good cutlines for some activity section pictures.

The Varsity Football team finished in a tie for third place in the NCAA League. "They improved as the season progressed although the scores did not dictate this," stated assistant coach Tom Becker. "We were pleased with the good attitude and enthusiasm," he added. The strength of the team was the interior defensive line led by Jim Wide and Steve Baidus. Wide received an All-Area award and Baidus received Honorable Mention All-League, and All-Area Awards. In looking ahead to next year, Coach Becker stated, "Good personnel is coming back and coming up from the JV team."

Golf Team Drives 'em Wild

This year's golf team had a disappointing season with a record of 0-6 in league play and a record of 2-6 overall. The team was comprised of three, 2-year letter winners in Seniors, Steve Brock and David VanAsselt, and Junior Roger Finkbeiner and six first-year members. Golf coach Dale Joley said, "This year's team was young and inexperienced and there will be better days ahead for next year's team." The team finished fourth in the league and fourth in the mid-season league meet. The Tiger golfers also finished nineteenth in the Regional Meet.

Girl's Tennis Team Serves 1-7 Record

The girls tennis team's experience was great, however, the scores couldn't match it. The team consisted of five seniors, five juniors and six sophomores. According to Mr. Barry Malone, tennis coach, "The losses were contributed to the newness of the team and the inability to practice during the summer."

The final record for the team was 1 win and 7 losses.

Varsity Girls Advance to District Finals,

The Grant Girls ended their season with a 5-9 league record and 13-10 over all. While only finishing seventh in the league, the girls came in second in the district play-offs. Mrs. Thompson stated that she was not entirely pleased with the effort put forth during regular season but, on the other hand, she was very satisfied with the way they fought and pulled together during the district play-offs. The team will be losing five girls to graduation, but will also be gaining at least three sophomores, which will be a definite plus.

Varsity spreads that crazy spirit

Varsity cheerleaders do their three high mount for the last time, because it was outlawed by new school regulations.

Ever wonder who makes all the noise in school? Who keeps the halls decorated and the spirit high? The cheerleaders, who else! This year's Varsity squad went to Ferris's International Cheerleading Foundation Camp, where they won a "Most Improved," "Sparkle and Shine" and a 1st place ribbon. They brought home a lot of unique ideas for pep assemblies. School spirit has been on the rise this year and we owe a lot of this to our GHS Varsity Cheerleaders. When interviewing their advisor, Mrs. Cindy Bakus said, "No comment, my squad speaks for themselves."

The 1979 Tiger Football cheerleading squad included Teresa Denton, Julie Niederer, Tracey

Pontious — Kileen Cook, Tammy Robinson and Barb Wiess.

Lots of Pep! "No Sweat!"

That describes the J.V. squad this year which was made up of two freshmen and four sophomore girls. They stood behind their team the whole year with lots of pep. They also attended the International Cheerleading Foundation camp where they won a "Most Improved", "Most Spined", and 2nd place ribbon. They learned a lot of new ideas which will help them in the coming years.

Inconsistency Plagues JV Football

Inconsistency plagues the 1979 JV Football team. The highest number of points made was 14 against Holton and they tied with Hesperia. Coach Harris said, "We are building the football program. We must pay our dues before we will be successful."

The coach added that their strong point was the ability to play with pain and introducing the team to various styles of play. Coach Harris concluded, "I feel they have come a long way in such a short time. I hope they continue to take pride in themselves."

The team stands back waiting for the referee's call at the Ravenna game.

The J.V. tigers ended the season with a respectable record of 9 wins and 9 losses. They had a slow start, but had a remarkable comeback near the middle of the season winning 6 games in a row. Unfortunately they ended their season on a bad note, finishing with a losing streak. The general feeling of Coach Lawley was that she was a little disappointed in the outcome of the season because she felt the girls did not play to their fullest potential.

J.V.'s Bump Into Action

This year's J.V. team was made up of eight sophomores and three freshmen. This year is the first year the J.V. team has worked a 4-2 offense which proved to be one of the strengths of the team. Coach Thompson stated, "This year's J.V. Volleyball team is the best that I have coached." At Volleyball tryouts 24 girls tried out for the team, twelve had to be cut, leaving 12 for the J.V. team.

Varsity Does Much Better Than Expected

This year's team was not expected to do very well because a lack of experience, but with a good attitude and lots of hustle the guys came out quite successful. "We were in every game that we played but three." Commented first year Varsity Coach Dennis Atkins. "We won some games we

shouldn't have and we lost some that we shouldn't have. Every team has its problems, but I think that our season was a success." The Tigers managed to compile a 4-9 league record finishing in a tie for fifth and an overall record of 7-13.

Randy Jordan brings the ball down the court to set up their offense against Holton.

This year's JV team coached by first year Coach Dennis Bradley, compiled a 6-14 record. The team started out strong winning its first three out of five games. Then they went into a big slump losing their next nine games. The team then regained some of their confidence and composure to finish out the season. "Inexperience and injury's hurt us through the season," commented Coach Bradley, "but they improved greatly by the end of the season."

Freshman Are Winners Despite 0-13 Record.

"I was very proud of the team. They hustled and worked hard throughout the season. As far as I'm concerned they were winners," commented Coach Tom Becker about this young freshman team. This year's team suffered from a bad case of not enough height. Next year's season for this group looks much more promising as they will be joined with the two players who were moved up to J.V. this past season.

VARSITY KEEPS SPIRIT HIGH

Enthusiasm, experience, and variety made up the 1980 Varsity Cheerleading squad. The squad consisted of 4 girls who had cheered throughout their 4 years of high school, 2 juniors, and 1 exchange student.

The varsity cheerleading squad was faced with hard work from the beginning," explained Mrs. Backus coach. "One member had never been a cheerleader before.

Each of the others worked with her independently in preparation for the first game. From that first game I have had nothing but positive remarks about the quality of the varsity squad in comparison to the other schools we've played. Our team know that their cheerleaders were behind them all the way — all the time.

'Knock yourself out' is a favorite floor cheer of the Varsity Cheerleaders. It is one of the many they learned at camp.

J.V.'s Shine On!

"Sincere desire" exclaimed Mrs. Baldus, "is the quality which makes the Grant JV Cheerleaders stand out as an outstanding squad."

They proved how outstanding they were when they were awarded a 1st place trophy for their performance at the Hope College Cheerleading Competition.

Mrs. Baldus is expecting great things from the members of this squad in the future as they move on to Varsity Cheerleading.

It is the "honesty" in the look, spirit and enthusiasm which is our cheerleader's greatest quality.

What the Freshman Cheerleaders lacked in experience they made up for in enthusiasm. They worked hard all year developing new cheers and perfecting old ones.

Mrs. Baidus, cheerleading coach, stated, "In my book our Freshmen (both basketball players and cheerleaders alike) are winners. Our team was always trying, helping each other and working to win right to the end. The cheerleaders were full of spirit, encouragement, and support no matter what the score. Those qualities make winners."

New Coach Leads Wrestlers To Best Season Yet

One of the simplest moves is the "pick up" move. This is a very simple move that is very effective in wrestling.

Another common move is the "around the head" move. This is another common wrestling move.

These four Matt Maids, Paula Hilden, Tina Shull, Judy Potter, and Sharon Cross, are very beneficial to the team. Their responsibilities are getting the mats out, taping them down, and cleaning them.

With approximately 20 members, this year's wrestling team compiled their best season record ever of 22 wins and 29 losses. Mr. George Harris, took over the job of wrestling coach. This was the first time Mr. Harris has ever coached a wrestling team, but enjoyed it very much.

The team had to cope with a few injuries throughout the season. Tim Hotchkiss received a finger injury early in the season and Tim Hotchkiss suffered a shoulder injury late in the season.

The team will lose only a few members to graduation and many more will return next year's season with 14 returning grapplers.

Freshmen Display Great School Spirit

The Freshmen got off to a great start this year even though they had to make adjustments to a new school and being the youngest in it. They pulled through with first place in float competition in Homecoming and showed a lot of school spirit in the activities they were involved in. Though hassled a lot by the upperclassmen, the Freshmen didn't allow this to bother them and so came out on top of their first year at GHS.

FACULTY

Craziness Starts At The Top!

This year the members of the Faculty section distributed questionnaires to all of our teachers, administrators and secretaries. Some of the replies were so outstanding that we decided to share them with you. A few of our questions were: Whom do you admire most? What is the craziest thing you've ever done in your life? and What do you hope to accomplish in the 80's? We then chose what we thought were the best responses from each person and displayed it in this section.

Our Board of Education, the people behind the whole scene. Front Row: Robert Bonter, Joseph Zerlaut, Bruce Rolston, William Bolthouse.

Back Row: Murl Connors, Lawrence George, Not Pictured: Dallas Dean.

Ronald Milks, M.A. Mr. Milks is the Assistant Principal, Athletic Director, Community Education Director. What Mr. Milks hopes to accomplish in the 80's is to "Help young adults accept responsibility and look toward the future. Also try and help people see the worth and dignity of every individual."

Daniel Morgan, M.A. Mr. Morgan is our Principal. Mr. Morgan admires Thomas Jefferson. When asked what the most important part of his job was, he replied, "The opportunity to help students learn responsibility for themselves."

Mr. Murl Connor has an Educational Specialist Degree in School Administration and is the superintendent

Dena Koron, M.A. Mrs. Koron is the High School Guidance Counselor. "The kids and vacations" is what Mrs. Koron likes most about her profession

Helen Lee, M.A. Mrs. Lee is the Junior High School Counselor. The challenge of her job is what she enjoys most in her work at GHS

Secretary's Help Keep Administrators Sane

Marie Brown, Secretary for High School Principal
The craziest thing Mrs. Brown has ever done is send a new student to take a class assuming they were the substitute teacher for the class.

Margaret Franckowiak, Attendance and Guidance Secretary

Sally Barager, Secretary to the Superintendent
Mrs. Barager likes the cheerful, helpful attitude of teachers and students most of all during her work at GHS.

Janet Leslie, Accountant

Fourth Hour Office Aide Sally Swinehart, gets a puzzling phone call

Alice Crispin, Bookkeeper

Language Arts; the Way to Better Communication

Rhonda Rupp, BS in Ed. Miss Rupp teaches Journalism I, II, Speech, and Vocational English. She is also an advisor for the Junior Class and yearbook. What Miss Rupp likes most about teaching is that ~~There's~~ there's never a dull moment.

Jean Teets, MA in Ed. Mrs. Teets teaches American Lit. and Communication Skills. She is also a Sophomore Class Advisor. The person she admires most is Pope John Paul II.

Carol Korenstra, BA in Ed. Mrs. Korenstra teaches Comm. /Skills 101, Journalism II, Tiger Beat, and advises Student Council. She admires her grandmother and her high school Latin teacher the most.

Dennis Bradley, BS in Ed. Mr. Bradley teaches English. He coaches JV Basketball and Baseball. The person he admires most is "My father, Dr. F. K. Bradley D.D.S."

Mrs. Decker, BS in Ed. Mrs. Decker is the librarian and teaches Independent Study English. She likes the different types of personalities the most about her work at Grant High School.

Clarence Corigan, AB in Ed. Mrs. Corigan teaches Spanish I, II, American Lit., English Lit. and Advanced Grammar. She is also the Spanish Club Advisor. Her answer to the question "What is the craziest thing that you have ever done?" is "I have spent too long building my image of sanity to reveal the crazy things that I've done."

Mary Eggleston, MS in Ed. Mrs. Eggleston teaches Special Education. When asked "What is the craziest thing that she's ever done" she replied, "Becoming a teacher."

P.E.: The Other Half of Education

Duane Coher, M.A. Mr. Coher teaches Jr. and Sr. High Physical Education. He also coaches Varsity Football, and eighth grade basketball. When asked who he admires most Mr. Coher replied, "Joe Palermo, head football coach at Penn State."

Diane Thompson, B.A. Mrs. Thompson teaches High School PE and Jr. High Health. The craziest thing she's ever done is to "receive a black eye from a pair of frozen underwear."

George Harris, B.S. Mr. Harris teaches Health, PE, and Math. He coaches JV Football, Varsity Baseball, and Wrestling. Mr. Harris likes "Education and communicating positively with the students."

We Are Making History

John Keniston, B.S. in Ed. Mr. Keniston teaches U.S. History and World Geography. He is also Varsity Club Advisor, and coaches Boy's Track. The craziest thing that he has ever done is to ride on an electric train traveling fifty miles per hour with his arm around the headlight on the outside of the train at night!

Barry Malone, M.A. — B.A. in Ed. Mr. Malone teaches Government and Psychology. He is the Senior Class Advisor and coaches Girl's Tennis. The craziest thing that he has ever done (and is still doing) is teaching seniors.

James Kingma, B.A. in Ed. Mr. Kingma teaches U.S. History, World History, American Literature, and Basic Social Studies. He admires Pope John Paul II the most of anyone.

Math And Business Adds And Subtracts To Our Craziness

Kurt Welch types his way into the business

Dale Joley, BS in Education, Mr. Joley teaches Algebra I, Geometry, Advanced Algebra, Math IV, and he advises Science Club. He is also the Golf and Tennis coach.

Cynthia Alman Baldus, BS in Education. Mrs. Baldus teaches Business, Accounting, and Typing I. She is also the Junior Class and the Cheerleading Advisor. What she hopes to accomplish in the 80's is taking on the new challenges and responsibilities of married life.

Donald Clement, BS in Education. Mr. Clement teaches Accounting, Typing I, Personal Typing, Computer Math, and Consumer Math. Abraham Lincoln is the person who he admires most.

Shop and Home Ec. Classes Offer A Change

Mary Davidson, B.A. in Ed. Mrs. Davidson teaches Independent Living, Child Development, Home Furnishings, and Advanced Foods. She is also the Sophomore Class Advisor. The Craziest thing that she has ever done is to buy a car on the spur of the moment.

Ben Tront, B.S. in Ed. Mr. Tront teaches Metals, Power Mechanics, and Electronics. The craziest thing that he has ever done is to participate in a Snow Angel Contest.

Tom Becker, B.S. in Ed. Mr. Becker teaches General Woodworking, Drafting, Architecture. He is also the Freshmen Class Advisor, Assistant Varsity Football Coach, Ninth Grade Basketball Coach, and Girl's Varsity Track Coach. The craziest thing that he has ever done is to call Mrs. Kaspera early one morning mistaking Mr. Morgan and get her husband instead.

Sally Matych, B.S. in Ed. Ms. Matych teaches Advanced Foods and Family Living. She is also the Freshmen Class Advisor. The thing she likes most about teaching is seeing a student's eyes light up or an expression of surprise when they learn something new.

Music Department Takes on New Look

[illegible]

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

2. The second part of the document focuses on the importance of regular reconciliation. This involves comparing the company's internal records with external statements, such as bank statements or supplier invoices, to identify any discrepancies or errors. Regular reconciliation helps to ensure the accuracy of the financial records and allows for the timely identification and correction of any mistakes.

3. The third part of the document discusses the importance of maintaining proper documentation for all financial transactions. This includes keeping receipts, invoices, and other supporting documents for each transaction. Proper documentation is essential for verifying the accuracy of the financial records and for providing evidence in the event of an audit or dispute.

4. The fourth part of the document discusses the importance of maintaining accurate records of all assets and liabilities. This includes tracking the value of the company's assets, such as equipment and inventory, and the value of its liabilities, such as loans and accounts payable. Accurate records of assets and liabilities are essential for determining the company's net worth and for making informed financial decisions.

5. The fifth part of the document discusses the importance of maintaining accurate records of all income and expenses. This includes tracking the company's revenue from sales and other sources, as well as its operating expenses, such as salaries, rent, and utilities. Accurate records of income and expenses are essential for determining the company's profitability and for making informed financial decisions.

6. The sixth part of the document discusses the importance of maintaining accurate records of all taxes and other legal obligations. This includes tracking the company's tax liabilities, such as income tax and sales tax, and other legal obligations, such as payroll taxes and workers' compensation. Accurate records of taxes and other legal obligations are essential for ensuring compliance with applicable laws and regulations.

7. The seventh part of the document discusses the importance of maintaining accurate records of all financial statements. This includes preparing and maintaining accurate balance sheets, income statements, and cash flow statements. Accurate financial statements are essential for providing a clear and concise overview of the company's financial performance and for making informed financial decisions.

8. The eighth part of the document discusses the importance of maintaining accurate records of all financial transactions. This includes tracking all sales, purchases, and expenses, as well as all income and expenses. Accurate records of all financial transactions are essential for ensuring the accuracy of the financial records and for providing a clear and concise overview of the company's financial performance.

9. The ninth part of the document discusses the importance of maintaining accurate records of all financial transactions. This includes tracking all sales, purchases, and expenses, as well as all income and expenses. Accurate records of all financial transactions are essential for ensuring the accuracy of the financial records and for providing a clear and concise overview of the company's financial performance.

10. The tenth part of the document discusses the importance of maintaining accurate records of all financial transactions. This includes tracking all sales, purchases, and expenses, as well as all income and expenses. Accurate records of all financial transactions are essential for ensuring the accuracy of the financial records and for providing a clear and concise overview of the company's financial performance.

The Faculty Bestows Their Talent For the Good of Our School

The "Teacher Paint-In" was organized by the Faculty Council. The Faculty Council meets with Mr. Morgan to discuss the problems of our school and what can be done to improve it. Painting the halls is just one of their projects. A

committee was made up of Miss Matych, Miss
Huckins, and Mrs. Davidson. Later on, Mrs.
Eg. [redacted] took up the job of organizing the
Dance.

Miss Huckins is a New York-born, middle-class, upper-Cass adviser to the School play director. The craziest thing Miss Huckins has ever done is to go on a bike ride and end up buying a house that she saw.

At the same time, the authors of the study also found that the use of the Internet for information seeking was positively related to the use of the Internet for social networking.

A special thank you goes to ALICE BULL for all of the outstanding artwork in this yearbook.

To my Secretary,
 little nice Having
 its been 3 of my class, I
 youin wait till next year. we
 can't wait till next year. we
 can all Party Hardy then. (well we
 do now but wait till next year)
 I'll keep away from your 5 tails so chris
 won't have to clean up after me. well you
 can take me cruising when your 18 haha. I have
 fun this summer and don't get in any more trouble.

Love your Dad
 Dan "81" Paula, girl
 who likes to party.
 Hope to see you this
 summer. cool "81"

 Paula, your
 "81"
 still
 going
 to see you in town and next year.

Hey Paula,
 well, its been one hell of a year, hasn't it? I'm
 glad we got to be as good of friends as we did. I
 hope that we are always good friends. Well had
 alot of fun this year and next year will be
 even better. This summer we'll all have to
 get together at the barn and have alot
 of fun. We may not have any classes together
 next year, but that won't stop us. Well, I know
 always lunch every and weekends. Well, I know
 you'll always stay around and meet as
 you are now so to good this summer and
 I'll see you in town and next year.

Love
 Kyle

Little Red (Sis)

I wouldn't have never have made it through Rupp's class this year without you. This sure is a great yearbook! (Thanks to us). Hopefully we'll be there next year. We'll get our way next year. We're going to have to Party hardy this summer. Good luck with the guys, whatever they may be, Hee Hee. You've been quite the little sis for two years or however long you've been here. Don't you ever forget the good times we had. You can hopefully forget this summer we're going to have to go camping to get a Rick and go to the beach allt. We have to be as tan to impress the guys. Hee Hee. I hope to be going out with Tommy alot, but I'll always make time for you (my lil' sis) and don't you ever forget it!!! We'll have to go shopping. We can buy the wheels and brains we can go along way. See ya later and town of G.R. Hee Hee. I best be going. See ya

Love,
Cindy

Paula,
To a cool chick. Hope
you have a nice
Senior year. Don't
forget to much trouble.
Get into Kris and all fun
Remember class. Don't forget
we had in farm trail and all the trouble
the nature trail. Have a nice summer and
up for it. Good luck in the future.
Good Bye you.
